Forecast For Wales
Issued by Met Office Exeter
at 0400 on Saturday 23 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry on Saturday but some rain on Sunday.

Today:
Largely dry for most of today but isolated showers or occasional drizzle is possible in the west. Rather cloudy but a few bright or sunny spells are likely as the southerly breeze freshens. Maximum temperature 14 deg C (57 deg F).

Tonight:
It will stay largely dry at first, however there is an increasing chance of occasional showery rain reaching the west later. Much milder than last night. Minimum temperature 8 deg C (46 deg F).

Sunday:
Occasional rain spreading from west to east across Wales. Brighter conditions with a few showers following into the west during the afternoon. Windy, especially around the coasts. Maximum temperature 16 deg C (61 deg F).

Outlook for Monday to Wednesday:
Sunshine and showers on Monday. Largely dry and bright on Tuesday. Cloudy with spells of rain on Wednesday. Breezy at times and becoming very mild by midweek.
